PEOPLE FRIENDLY AND ENVIRONMENT FRIENDLY

Through dentists, technicians, hygienists and other dental professionals around the world, GC's quality dental care products make a major contribution to people's health. As a dental product manufacturer of global standing, GC Corporation constantly seeks to produce original products that are environmentally friendly as well as patient friendly and going a step ahead of patient's needs, while at the same time taking great care to minimize the impact of manufacturing processes on the environment.

Producing products that are people friendly and earth friendly, we will continue to create highly value-added products so as to provide oral health to the people of the world during the 21st century, a century we regard as the century of health.

History

- GC was founded by: Kiyoshi Nakao, Yoshinosuke Enjo and Tokueemon Mizuno on the 11th of February 1921 in Tokyo, Japan.
- 1992: GC America Inc. is established from the consolidation of Coe Laboratories & GC International USA.
